IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Asbestos Monitoring Waiver for

EASTGATE VILLAGE WATER & SEWER ASSOCIATION, INC.

Our water system has been granted a waiver for asbestos sampling. As our customers, you have a right to know why we are not sampling for asbestos.

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator that the drinking water has or has not met health standards. We will not conduct monitoring for asbestos because we have been granted a waiver by DEQ. This waiver is based on our certification that there is no asbestos concrete pipe in the distribution system.

For more information, please contact our office at PO Box 1200, East Helena MT 59635 or egws@eastgatevillage.org, or (406) 227-7033.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
